The perfect follow-up to the Screwtape Letters. Only the imaginative mind of C. S. Lewis could create as short a story about a demon offering the after-dinner speech at the graduation ceremony at the Tempters Training College for young demons. Nearly two decades after the release of the Screwtape Letters, and to the delight of his fans, Lewis wrote a sequel that he never intended to create. In fact, he never imagined the original book would become a classic and that his readers would continue to enjoy it so many years later. Now, almost 50 years later, after the sequel's release, Screwtape Proposes a Toast Study Guide digs deep into Lewis' almost prophetic declaration of how the underworld seeks to corrupt education, democracy, social politics, and directly shift a cultural worldview for those who have completed the Screwtape Letters Study Guide or the Screwtape Letters Study Guide for Teens. This study is the perfect follow-up, but it can be done independent of the others. This flexible study can be used in one long setting or divided up over several sessions.
