from the new york times bestselling author of tempt the stars comes the latest in the series that's well worth getting hooked on fresh fiction you'd think that being chief seer for the supernatural world would come with a few perks but as cassie palmer has learned being pythia doesn't mean you don't have to do things the hard way that's why she finds herself on a rescue mission skipping through time even though she doesn't entirely understand her dimension bending new power rescuing her friend john pritkin should have been an in and out kind of deal but with the near immortal mage's soul lost in time cassie has to hunt for it through the ages with pritkin's demon dad in tow he's the only one who can reverse pritkin's curse but with the guardians of the timeline dead set on stopping anyone from mucking about cassie will have to figure out how to get her friend back without ruffling too many feathers or causing a world ending paradox or two

cassandra palmer recently defeated a god which you d think would buy a girl a little time off but it doesn t work that way when your job description is pythia the world s chief clairvoyant cassie is busier than ever trying to learn about her power preparing for her upcoming coronation and figuring out her relationship with the enigmatic sexy master vampire mircea but someone doesn t want cassie to become pythia and is willing to go to any lengths to make sure the coronation ceremony never happens including attacking her mother before cassie is even born

being a goddess is a lot less fun than you might think especially when you re only a half goddess and you only found out about it recently and you still don t know what you re doing half the time and when you ve just used your not so reliable powers to burglarize the booby trapped office of a vampire mob boss yeah that part sucks but that s just the tip of the iceberg for cassandra palmer aka the pythia the freshly minted chief seer of the supernatural world after all cassie still has to save a friend from a fate worse than death deal with an increasingly possessive master vampire and prevent a party of her own acolytes from unleashing a storm of fury upon the world totally just your average day at the office right

clairvoyant cassie palmer has inherited new magical powers including the ability to travel through time but it s a whole lot of responsibility she d rather not have now she s the most popular girl in town as an assortment of vamps fey and mages try to convince force or seduce her and her magic over to their side but one particular master vampire didn t ask what cassie wanted before putting a claim on her he had a spell cast that binds her to him and now she doesn t know if what she feels for him is real or imagined

cassie palmer chief seer of the supernatural world faces her biggest challenge yet her own allies everything s on the line in the latest thrilling entry in the new york times bestselling urban fantasy series cassie palmer has been chief seer of the supernatural world for a little over four months in that time she s battled two gods fallen in love with two men and confronted the two sides of her own nature both god and human so it s not surprising that she currently finds herself facing two adversaries although they have a single purpose to wipe out the supernatural community s newest fighting force leaving it vulnerable to enemies in this world and beyond to prevent

catastrophe the vamps mages and demons will have to do the one thing they've never managed before and come together as allies cassie has the difficult task of keeping the uneasy coalition intact and of persuading her own two opposing forces a powerful mage with a secret and a master vampire with a growing obsession to fight at her side she just hopes they can do it without tearing each other apart

the newest book in karen chance's new york times bestselling vampire series being a time traveler is a bitch just ask cassie palmer as the pythia or chief seer for the supernatural world she's got responsibilities and powers including the ability to travel through time she still doesn't fully understand cassie is on what should have been a quick mission to rescue the near immortal mage john pritkin a friend lost in time but nothing is ever simple where cassie is concerned for one thing her friend isn't lost his soul is and she must hunt for it through the ages in different versions of himself for another cassie is stuck traveling with pritkin's father the only one who can reverse pritkin's curse and an irascible demon who is high on cassie's list of least favorite people and third the guardians of the time line don't want anyone mucking about with it even a pythia like cassie and especially not when she's dragging a powerful demon along what's a poor pythia to do well if that pythia is cassie palmer it's to carry on anyway and in between flitting about through time to also stop the return of an ancient and very vengeful god and to find out the startling truth about her parents and to sort out a few things with her charming evasive and completely maddening vampire lover and you thought your week was packed reviews for karen chance's cassie palmer series chance is a genius jaw droppingly good ink and paper gunfights explosions magical catastrophes rescue attempts ambushes and much more turn this into the urban fantasy equivalent of a summer blockbuster sf site a wonderfully entertaining romp with an engaging heroine here's hoping there's a sequel in the works kelly armstrong nyt bestselling author touch the dark is a grab you by the throat and suck you in sort of book with a tough smart heroine and sexy scary vampires just what i like to curl up with i loved it and i'm waiting anxiously for a sequel patricia briggs nyt bestselling author a really exciting book with great pace and a huge cast of vivid characters this is one of my favorite reads of the year charlaine harris nyt bestselling author karen chance will enthrall you with her world of vampires mages and a fair maiden tough enough to kick their butts rebecca york usa today bestselling author
